Mega-loo

mega cat litter scoop

With this incredibly handy, extra-large cat litter scoop, you can tidy up your cat's litter box in a jiffy.

The scoop has an extra-large scooping surface, meaning fewer scoops for you, and thanks to the ergonomic design and the extra-long handle, you don't have to bend down as far. The extra-long handle is also more hygienic because your hands stay further away from the litter and urine in the box.

What's more, the soft-touch handle feels comfortable to hold. This makes cleaning the litter box quick and easy, without straining your back, knees or hands.
